

Dear authors!

The editorial board of «Science and Technology in Transport» requests to submit the originals of the articles formatted to the appropriate requirements:

1. The recommended article volume is 5–25 pages.
2. The text is typed and submitted in paper and electronic versions on a CD, typed in a text editor MS Word for Windows 2003–2007.
3. The electronic version is formatted with Doc or RTF.
4. The sheet of paper - A4 (210x297 mm) with margins: 20 mm from the left side, top and bottom, 10 mm - on the right side. The page orientation is portrait.
5. Font Times New Roman (Cyr), font size 14 pt, with line spacing of 1.5 lines, the text justification, the automatic hyphenation. For the layout of a document, it is recommended to use paragraph styles (menu item Format→ Style...). The text should not be double spaces and double paragraphs (blank lines). All the necessary formatting (for example, the distance between sections) can be use the same styles setting the style of header spacing before and after the paragraph.
6. Latin letters and simple single-line formula ($A_r=B^2+CD^2$) are typed directly in the line of MS Word, special characters (\leq , \geq , \pm , ∞ , \cup , \cap , \rightarrow , and also Greek letters) in the article are typed using the menu item Insert→Symbol...(font Symbol). For complex formulas, formulas with fractions, roots, matrices, vectors, systems of equations Microsoft Equation or Math-type 5.0 (menu item Insert→Object...) are used.
7. Tables in the text typed by standard means of MS-Word (menu item Table→Add Table...). The table must have a title and a link in the text, and the table as a separate file in MS Excel (versions 2003 - 2007). Not allowed set of tables in the text with spacing or tabulation and a grid made by drawing tools, as well as the placement Excel spreadsheets in the Word document.
8. Image data must be in following formats:
 - for photos: *TIF (no compression or LZW compression) or *JPG (high quality), 300 dpi at print size;
 - for drawings graphs, charts: *TIF, *JPG, *BMP, *GIF, *EPS, MS Visio, Corel Draw, Adobe Illustrator (all the inscriptions must be converted to curves).Each image should be submitted as a single file. If it is not possible to efficiently draw or scan the image, please submit the highest quality original copy (maybe hand-drawn).
9. It is possible to include charts, diagrams and graphs drawing with MS Word, the image should be placed in the text as an object.
10. Apart from the main text, the separate file should include the annotation (4–10 lines) and key words from the text of the article (5–8 words).
11. Please list the following information about the author(s):
 - surname, first name and patronymic in full;
 - academic degree; academic title;
 - honorary title (if available);
 - affiliation (postcode, address, email address, contact telephone number);
 - position;
 - area of scientific interest (area of research);
 - total number of scientific works;
 - number of monographs;
 - number of textbooks;
 - number of patents.
12. In a separate file you should submit the highest quality color digital photograph(s) of the author(s) of 400×600 pixels resolution (see photo requirements), in the absence of digital photographs – on glossy paper.
13. Board with graduate students for publication of manuscripts will not be charged.

Dear readers!

You can post the promotional information about your organization on the pages of our journal, your developments, products and services in the form of block of commercials, as well as an article.

The editorial Board will accept an offer for working effectiveness increase of the journal and improving its design.
